

In February, we will be taking a look at a popular and provocative book called *10 Dumb Things Smart Christians Believe*, by Larry Osborn. I'm not necessarily in agreement with all of the conclusions in the book, but it is a good framework for examining such truisms as "Faith Can Fix Anything," "Forgiveness Means Forgetting," and "Everything Happens for a Reason."

Please join us on Sundays, February 18 and 25, at 9:30 a.m. in the Promise Room.
