

We will be getting to know neighbors of ours with whom you may not be familiar, and who a sizable number of Christians view with considerable fear and suspicion. In adult education, we will be taking a look at the religion of Islam.

The first week will provide an introduction to the subject and some basic facts. The highlight of the class will be on April 15th when we welcome members of the Islamic Society of Northwest Wisconsin to visit us to provide insight into their faith. I invite you to come to all three classes, and especially the April 15th visit, to discover more about our neighbors.

Respectful questions are encouraged.

Please join us on Sundays, April 8, 15 and 22, at 9:30 a.m. in the Promise Room.
