

Adult Education for April

Have you ever experienced a crisis of faith? Do you know anyone who has or who is experiencing difficulty buying into the Christian faith or the institution of the church? Do you have gnawing doubts about these things yourself?

During the month of April, adult education will explore these questions. Our exploration will encompass some of the questions raised in the current film "The Shack" as we see what help can be found in the Bible. Note that because of Easter, adult ed will meet April 2, 9, & 23 at 9:30am in the Promise Room.
