

## **DEMENTIA SIMULATION TRAINING**

St. John's will host a Dementia Simulation Training sponsored by the Aging Disability Resource Center (ADRC) on **Wednesday, May 30, from 4:00-6:20 p.m.**

Using goggles and headsets, this will be a virtual reality awareness session for caregivers and family members to experience what it is like to have dementia.

It will be held in the Promise Room with volunteers from the ADRC providing assistance. Four people can participate in each 20 minute time slot. Watch for a sign-up sheet on the bulletin board in the Welcome Area.
