

# Applications of Gifts and Passions 4-6-2015

One of the most rewarding parts of ministry is helping people to match their talents and passions with the world's needs. Talents and passions are gifts God has given us to equip us to do things that matter in this world. *"to equip the saints for the work of ministry, for building up the body of Christ"* (Ephesians 4:12)

This year we want to go a little further in helping identify where we can be of most use and find the most fulfillment in service opportunities at St. John's.

We are asking **every confirmed member** to **prayerfully consider where God is calling you** in ministry and then fill out this survey so that we can have updated and accurate information as we look for the most meaningful ways we can be of service.

Please check the boxes indicating where your talents and passions lie.

*Please, put corresponding number(s) in or by the square of the category of your talent, interest or gift for building up the "Body of Christ," the Church, NOW or in the FUTURE.*
