## A Message From Pastor Christine

"You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love." – Galatians 5:13

What is a volunteer? If you look at the dictionary, a volunteer is someone who offers their time to better a community. After observing the 70th birthday party of our Highland Building on May 18th, the brat stand sale for the youth, and the lighting project in the sanctuary, it's clear that we do indeed have a very special community. Technically, we are all disciples of Jesus who devote their time to the work of shared ministry, but I know you get my meaning when I speak of volunteerism.

It can be difficult for everyone to see the work of all our volunteers who make things happen in all our ministries. To do that, you would have to be here all the time. When you are on staff, it's a bit easier to see just how many help to make this church continue to be a Fountain of Life and a River of Compassion. But, it can be harder to see all the work of the various ministries, committees, groups unless you are involved in all of them, which no one person is! That's why we run the weekly E-News and the Sunday Opportunities to keep everyone up on all the events happening for all of our people. And, if you just take a moment to look around, a lot is happening, and the current that keeps that going are our many amazing volunteers.

So, I would like to point out some of the ways we have had volunteers (that is, servants of Christ who desire the good of the community) spread the love of Jesus in this place and out there in the world this summer, especially as we have begun to come out of this pandemic. Here are just a few ways volunteers have made this church really shine this year:

- **Sunday School, VBS, Adventure Trip & Summer Stretch** – Teachers, drivers, lunch providers, chaperones, adult and high school leaders are only some of the ways volunteers make these special things happen for children and youth. So many people are involved in these programs beyond staff. Thank you so much!
- **Worship** – Our worship services include more than preaching. I'm the first one to downplay the sermon since I write them. I'm not saying the sermon isn't important, but it is only a part of the proclamation of the Gospel. Without our ushers, communion servers, acolytes, camera operators, altar care, power-point operators, choirs, soloists, and readers, worship would not be community. Thank you so much to all those who serve at our worship services. I am so thankful for your love of service as we worship together!
- **Hospitality** – Caring Ministry adds lovely touches when we welcome new members to our faith family. And, we have some wonderful cookie bakers who make coffee hour really stand out. If you haven't noticed a team of servers for coffee hour, take a quick look in the little kitchen in the Gathering Area. What a blessing.

- **Bible Study** – Summer does not stop our Men's study on Wednesdays or our women who come together for a large group Bible study with neighboring churches. Volunteers make these Bible Studies happen! Thank you!
- **Quilters** - Our quilters never stop because it is summer. They come every month to create beautiful, artistic, useful quilts for Lutheran World Relief and for those nearby in Eau Claire who are in need.
- **Office Volunteers** – What a wonderful thing to have office volunteers answering the phone, doing daily tasks, and enabling the staff to coordinate their time more efficiently. It's so great having a pleasant face to see every morning.

These are just a few of the ways that the disciples of Jesus give of their time and talent to St. John's. I know there are so many who love this community of faith and who give of themselves every day. And, the church is made up of all its members contributing to the Gospel message. Thank you for your part and have a happy summer! See you in church!

Pastor Christine

## Thank You!

THANK YOU to all who participated in music ministries this year! Members of the St. John's Choir and JuBellation put in countless hours of rehearsal and preparation supporting our prayerful worship. We are blessed with many instrumentalists and guests who join us for special services and feast days throughout the year. I am especially grateful to all who sing in "the BIG CHOIR" in the pews every Sunday. Singing brings prayer to a new dimension, inviting the whole body, mind, and spirit to express love for God and each other. So, freely sing out with joy!

Stay tuned for some musical opportunities this summer while the ensembles are on break. We'll have a pop-up summer choir and youth music jam after worship on yet-to-be determined Sundays. If you have any interest in sharing your musical experience at St. John's, please contact me: [mark@stjohns-ec.org](mailto:mark@stjohns-ec.org)

## Lay School Reflection

Jean Johnson and I (Lynn Yolitz) just completed our 2 year Lay School Ministry program through the Northwest Synod of Wisconsin (ELCA). The purpose of the school is to provide lay people with a greater understanding of our Bible, Worship, Spirituality, Christian History, and Lutheran Theology.

It was an opportunity to engage in theological studies, presented by faculty consisting of seminary and college professors and members of the clergy of synod congregations. Classmates were lay members from other ELCA churches in the area, and we had many opportunities to engage in wonderful discussions. It was a wonderfully enriching experience and I would encourage others to attend.

If you are interested in learning more about the program and the experience, please contact us and we will be happy to answer any questions you might have.

# Welcome Amanda!

## Happy greetings!

My name is Amanda Burkart, and I am truly honored to serve as the Children, Youth and Family Director at St. John's. This role is especially meaningful to me, as St. John's has been a part of my heart and life since childhood.

I was born and raised in Altoona, WI, and grew up attending St. John's with my beloved grandmother, Lois Klavetter, and my sweet mom, Cheryl Stage. From an early age, the church embraced our family with open arms, offering comfort, connection, and a strong foundation of faith. I began teaching Sunday School here during high school, which sparked a deep sense of purpose and love for working with youth.

After graduating from Winona State University, life took me west to Las Vegas, NV, where I earned my Master's Degree in Educational Counseling. I then spent over 18 wonderful years as a school counselor—supporting, guiding, and walking alongside students through their journeys.

Recently, I made the heartfelt decision to bring my family back to Eau Claire. Returning home has been a beautiful experience, filled with warmth, welcome, and reconnection. I am beyond excited to meet new families, reconnect with familiar faces, and walk beside your children as they grow in faith, friendship, and fun.

I feel deeply blessed in so many ways and am grateful for the opportunity to give back to the community and church that helped shape who I am today.

## The Carthage Commitment

In partnership with the ELCA congregations in southern Wisconsin and as part of our pledge to make a quality education possible for all, we offer the Carthage Commitment.

At Carthage College, we want families to know they're not alone in paying for a student's education. We view college financing as a partnership, with assistance from a variety of sources.

The Carthage Commitment is born out of that spirit. Open to Wisconsin families whose household income is **less than \$65,000**, it will cover tuition costs not covered by federal and state grant funds. Recipients will have **no out-of-pocket tuition costs** to attend Carthage.

This program is open to all new incoming students who begin in fall 2025 or later.

### Eligibility

- Be admitted to Carthage
- Submit the FAFSA
- Have a household income of less than \$65,000 (Be PELL Eligible as determined by the FAFSA)
- Be a Wisconsin resident
- Have a high school GPA of 2.5 or above
- Be a member of an ELCA congregation in Wisconsin

### What does the Carthage Commitment cover?

The Carthage Commitment covers the cost of tuition for fall and spring semesters and on-campus J-Term courses.

### What isn't included in the Carthage Commitment?

Books, room and board, J-Term study tours, and parking are not covered by the Carthage Commitment.

### Do I have to take out the Stafford Loan

No! Through generous donors, your Stafford Loan of \$5,500 would be covered. Your out-of-pocket cost to attend Carthage for tuition would be zero.

### How do I apply?

To be considered for the Carthage Commitment, students must **apply for admission** to Carthage. They must also submit the FAFSA. Applications are accepted anytime after completion of junior year of high school. Not yet a senior or rising senior? **Join our mailing list.**

### When will I find out if I qualify?

Once we receive the FAFSA, we will notify students who are eligible for the Carthage Commitment. Eligible students will be awarded the grant if state and federal grants don't cover the full cost of tuition.

# st. john's christian PRESCHOOL

## *SJCP in the Summer*

We are happy to have time to clean, study, plan and prepare for the next school year.

While our classrooms are quieter in the summer, we know preschool children are learning and growing every day - in playgrounds and backyards, in the company of family and caregivers, or alone with a favorite toy or book.

We look forward to seeing current and returning families at St John's VBS and Summer Stretch!

To our St John's congregational family, we say thank you for your love, encouragement, generosity and support as we continue in shared ministry.

We had two sunny beautiful days for our Spring Field Trip to the Public Library, Olson's Ice cream, and bubble/chalk play in the Pablo courtyard!

## *Registration for the 2025-26 School Year*

St. John's Christian Preschool is currently enrolling students for the 2025-2026 school year. It is not too late to register or to refer a family to our preschool.

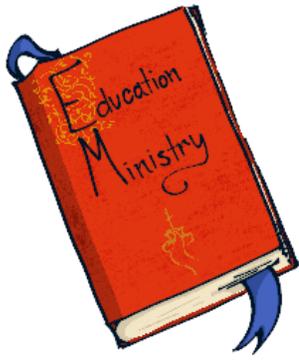

We invite you to visit our classrooms, meet our teachers, and request information to learn about the preschool experience! Click on our logo in the St John's website to find more information and registration materials.

Classes are limited to ten students each, and are filled on a first-come-first-serve basis. We learn a lot, have some fun, and share God's love!
