May 9 or 10	Found in Your Car
May 16 or 17	Child's Choice

Please help your child select an appropriate item(s) for each week's topic, put in the bag and bring it to school on his or her regular class time. We will take turns telling about their selections and showing the item(s) to the class. Then we will send the bag and item home. This is a favorite activity at preschool, a fun way to share something about ourselves with others, and one way for parents and kids to engage in conversation at home! Have fun!
