

Welcome Families!

We are excited for a great start at preschool! Our days will be filled with play and learning as we adjust to new schedules and get to know new friends. Thanks for the support you have shown our staff and your children at this special time. We want each family's experience here to be positive. Please let us know if you have any input and/or concerns as the year begins. Welcome!

Meet our Teachers

Hi! I am Julie Kitzman! I have been teaching preschool at S.J.C.P. for just about 23 years. I will be teaching a MWF 3 yr. old class and a TTH 3 yr. old class this year. I have been married to my husband Mike for 32 years and we have a son, Dakota, who is an engineer in Madison. We have a sweet golden retriever^[dog] and tons of fish that live in my pond until school starts. I can't wait to get to know you and your children.

Hello! I'm Nancy Hanson. I grew up in White Bear Lake MN and am the fourth of five girls! I am very close with my family. My parents still live in the house where I grew up. My husband Dave and I will be celebrating 36 years of marriage in September. We have four adult children, an old dog named Buddy and a puppy named Sal. No grandchildren yet. I have been sharing the director/teacher position with Phyllis for 20 years. I love teaching the youngest class and am so excited to be back in the classroom!

Hi! I'm Phyllis Meier. I live here in Eau Claire with my husband Rob. Preschool has been one of my favorite places for many years. I teach the 4-5 year olds at SJCP which adds lots of fun to my life. When I started teaching here, my own youngest child was in preschool. Now all of our children are grown and on their own. I enjoy spending time with family and friends, going for long walks and spending time outdoors. I love music and movies and relaxing at home too. I'm looking forward to preschool days with your children!

What to Wear

We are active and sometimes messy here at preschool. Please send your child in comfortable clothes and shoes that can get dirty. Weather permitting we spend time outdoors. Please send jackets suitable for the weather and an extra change of clothes for your child. Please label personal items.

Snacks

Preschool snack is important. It gives children the nutrition and energy they need to get through a busy preschool day. In an attempt to keep snacks safe and healthy for all of our students, we stock a variety of simple snacks here. Children will be able to select one or two items for their snack each day. We will offer allergy-safe snacks like fresh fruit, cereal, string cheese, carrots, goldfish crackers, graham crackers, pretzels, and raisins. We will also offer 100% juice, milk, or water to drink. A weekly snack menu will be posted on the snack bulletin board in the preschool hall. First semester's snack fee is due now. Thanks!

September Birthdays

May God Bless You!

Owen W	9/12	MWF Meier
Maisie	9/19	MWF Meier
Maverick	9/27	MWF Meier
Molly	9/27	MWF Meier

Brightwheel

We will continue to use the Brightwheel app for communications, billing, and checkin throughout the school year. If you haven't already, please take time to update your child's information. Including a photo will help us learn names and faces as we start the school year.

Payments

Preschool tuition and fee payments can be made by cash, check, or online payment through Brightwheel. Please note we will no longer be using Vanco as in previous years. Please let us know if you have questions or need more information about payments!

Online

Please take a chance to visit our website. Preschool forms and resources are posted here monthly. The site is also a convenient way to share a little about our program with others.
