

St. John's Gifts and Passions Survey 2020

Ministry Opportunities

One of the most rewarding parts of ministry is finding the connection between our talents and interests and the needs of the world so that we might live useful lives. God endows us with gifts and passions for use in the congregation, the community and the world. We acknowledge that all we do is *Because of God's Great Mercy*.

God has made us God's own people for a purpose, and that purpose is that we may proclaim to the world the love of God in Christ Jesus through word and deeds of mercy. Jesus' disciple Peter writes, "You are a chosen race, a royal priesthood, a holy nation, God's own people, in order that you may proclaim the mighty acts of him who called you out of darkness into his marvelous light." (1 Peter 2.9)

We are asking every member to prayerfully consider how God has entrusted you with gifts and passions to use in ministry and mission through St. John's. We want everyone to fill out this survey so that we have accurate and updated information to use when needs arise. You are needed to help St. John's ministry and mission demonstrate God's mercy to a world in need.

Please check the boxes that indicate where your talents and interests lie.
